

SOCIETY OF MACKINAC ISLAND OLD GOATS – GRAND RAMS

In 1998, the Society of Mackinac Island Old Goats created a new classification marking an important milestone attained by only a few Bayview Mackinac Race sailors. The society recognizes, with special honors, sailors who have completed a minimum of fifty Bayview Mackinac Races. This honor and designation makes such sailors GRAND RAMS. Since the yacht BERNIDA first crossed the finish line on the Straits in Mackinac on July 25, 1925 more than five hundred sailors have become Old Goats, but as of 2017 only twenty-four intrepid soles have sailed 50 or more Mackinac Races.

Having completed a minimum of fifty Mackinac Races requires more than one hundred twenty days on the water and some fourteen thousand miles of sailing. They have likely endured more than one hundred thunder storms and suffered through five hundred or more watch changes.

Membership in the Society of Mackinac Island Old Goats – Grand Rams is open to all sailors who have completed a minimum of fifty Bayview Mackinac Races.

Applications are available on the Bayview Mackinac Race website

They are also honored each year at the Old Goats Cocktail Party prior to the Mackinac Award Party in the fall. Their names are added to the Grand Ram Plaque in the Mackinac Room at Bayview Yacht Club and the Grand Ram Trophy in the Regatta Room at Bayview Yacht Club.
