

Amendment #1 to Notice of Race Revision a.

This amendment to the published NOR_Rev a is intended to assign the Sport boat class to Division II, eliminate a minimum number of boats required to establish a Sport boat class, and eliminate all references to Division IV.

Section 2.1.n is deleted.

Section 4.4.b.iv is amended to add a period after the word “established” and delete the rest of the sentence that reads “if the Race Committee has received at least (8) eight completed entries from boats intending to race in this class.” As amended Section 4.4.b.iv reads in full as follows:

“A sport boat class may be established. To be eligible for the sport boat division, boats must meet the following requirements:

- (a) Water Line length (WL) limit of less than 35 feet.
- (b) The displacement to length ratio (DLR) shall be less than 118 - calculated as follows: $(27.87 \times \text{boat weight in kilos}) \text{ divided by } (\text{WL in meters}^3)$.
- (c) A valid current year ORC rating certificate.”

Section 4.4 d is deleted.

Section 17.1.b is amended to delete the sentence that reads “No division flag will be awarded for boats sailing in Division IV.”

Section 17.1.f is amended to delete the sentence that reads “Boats sailing in Division IV are not eligible for this trophy.”
